CGP Books

Dear parent/carers,

Your child has been given a set of CGP books to support their learning. These are a fantastic resource and we are looking forward to using them.

CGP books will be used predominantly for homework. Occasionally, we may ask pupils to bring them in for lessons too.

Homework tasks will be set by the teacher every Monday and pupils are expected to complete these tasks and bring them back to school for the following Monday. Please find instructions of which homework tasks to complete on Google Classrooms. We will begin with one maths task and one English task (this will be reading based or GPS based). As we progress through the year, homework tasks will increase in quantity.

Please support your child by helping them to manage time for their homework. This will help them with the transition to secondary school.

If your child is finding a piece of homework difficult, please let Mrs. Thirkill know before the hand-in date.

Yours Truly,

Mrs. E Thirkill
